

## New state-of-the-art paper factory for Saxony-Anhalt

One of Europe's biggest producers of corrugated board sheets, Progroup, has recently announced a considerable greenfield investment in a new paper mill in Sandersdorf-Brehna, close to Bitterfeld in Saxony-Anhalt. The company will invest around 375 million Euro in its new factory and create 140 new jobs. Apart from the proximity to Progroup's existing sites in Burg and Eisenhüttenstadt, the region's excellent transport links and the high level of industrial expertise have been decisive factors in favor of Sandersdorf-Brehna.
